

11th B.LEAGUE COACHING SESSION

【 Contents 】

■ Premise/Background

- It's been 4 years since B.LEAGUE started. According to the FIBA Migration Report, however, the average age of players is the highest, while the number of U21 players and their average minutes are the lowest.

To change these issues, we have obligated each club in our league to establish U15 and U18, and by April 2021, 42 of U15 teams and 14 of U18 teams will be established. Keeping up educating young players and coaches is one of our important missions.

■ Purpose

- To achieve one of the B.LEAGUE missions "To produce world-class players", we need to build a quality youth program environment and provide high-quality coaching on daily basis.

To make this happen, we have held "B.LEAGUE COACHING SESSION" to improve the skills of coaches, who are mainly coaching U15 including B.LEAGUE U15 teams, school coaches and teachers.
